PRINCIPAL'S MESSAGE

The past months have been incredibly rewarding. I have found myself telling personal friends, colleagues and anyone else willing to listen, how proud I am to be Principal of Oxbridge Tutorial College. There is not enough room to go into details of the many great events that unfolded over the past months, but the summary below should give you an idea.

Some months ago, Oxbridge became a member of the Council of British International Schools, which shows our strength as a college offering a quality curriculum, with good standards of teaching and resourcing.

On 3rd, May 2013, we witnessed a glorious time as we marked the end of an eventful academic year in a valedictory and thanksgiving service. It is difficult to believe that we have only two months left! We have God to thank for such a fruitful year. Let's work together to keep our students focused and determined during this important stretch of the school year.

Thank you parents for all your support to our students and school.

2013 THANKSGIVING/VALEDICTORY SERVICE

May 3rd 2013 marked the end of another academic year, the day the college held the annual valedictory service in Archbishop Vining Memorial Church GRA Ikeja, Lagos.

This particular event was significant, because it created the opportunity for all and sundry to appreciate God for his faithfulness in the last 20 years. There were sermons, prayers by students, a parent and the officiating priest.

One of the highlights of the event was when the Managing Director of the college, Dr. (Mrs.) C. O. Ogunsanya chronicled her initial challenges moving the college to its current permanent site and how through faith and persistence, she was able to overcome all.
